

# FOR *olive branch* WEEKEND

## SERVE KIT

### How To Use

- Collect as many items as you will use from the resource table.
- Go out to the community alone, with a friend, your family, or a small group and use the resources to serve the city and tell them about FBCOB.
- Check out the list of ideas below and pick one, two, or more and show our community that FBCOB is FOR Olive Branch! Of course you can always do something not on the list.

### Resources Provided

- Tri-fold brochure with information about FBCOB
- Invite card with service times, location info, and a place for you to write in your name and/or phone number on the back
- Greet card (to be folded in half) to use to write a hand-written note
- Clear plastic door hanger bag
- Marriage Motivator info sheet (**ONLY USE BEFORE 3/28/21**)
- Easter Invite Card (**ONLY USE BEFORE 4/4/21**)

### Service Ideas

- If you ordered a shirt, wear it while serving in the community.
- Make up door-hanger bags and canvas your neighborhood or street.
- Invite neighbors over for a cookout and talk about why you invited them (HINT: Jesus)
- Go to Walmart, Kroger, or any other store, buy a gift card of any amount, pray over who to gift it to in that store. Next, approach someone and offer them the gift card, offer to pray with them, invite them to church, and share about Jesus with them.
- Go to a park and hand out water bottles along with some church info. Invite those people to church and share about Jesus.

**MORE** 

- Prayer walk a part of the community or your neighborhood. Pray specifically for those you see and the houses you pass. Be open to stopping and praying with someone that may be out when you are prayer walking.
- Clean up an area of a public place (Old Towne, City Park, City Hall, Courthouse, around a store parking lot). Be sure to take time to tell others why you are doing it if you get the chance.
- Visit the Senior Center by the park and invite people to Easter Church Services.
- Your family or small group could host a free car wash. Pass out the resources and tell them about Jesus!
- Buy someone's groceries in front or behind you in line and share why you would do that.

There are tons of other things you are uniquely gifted to do. so just go out there and do it! Be sure to keep a focus on Jesus and invite them to church (online or in person)! Don't be afraid of rejection. You may be surprised at the response if you just invite someone.
